Returned with compliments.

The Director of Archaeology in his letter No.466 dated 16th January 1948 has dealt with the observations of this office relating to the Proposition Statement only. He has not furnished any remarks on the observations of this office relating to the Allocation Statement.

Necessary alterations are to be made in the statements in the light of the Government orders dated 22nd Dec.1947 and 16th January 1948 re. allocation of I and II Division Clerks corresponding to I and II Class appointments, and new grades for Typists. Both the sanctioned posts of Clerks of the Department come under Class II appointments and as such both will have to be classified under II Division. But the revised scales sanctioned in G.O. dated 21-9-47 are: One I Division and another II Division. Whether this may be retained or both the posts of Clerks may be treated as II Division is for orders of Govt.

The posts of two Peons may be deleted from the Statements, since they were sanctioned after 1-1-1947 and the Statements relating to them may be taken up separately.

It is seen from the Allocation Statement that the designation of certain incumbents (Serial Nos. 2, 3, 4 and 5) has been radically altered in the Revised scales e.g. Sl.No.3 who was Pandit in the Pre-revision Establishment is now designated Archaeological Assistant; Sl.5 Draftsman in the Pre-revision Establishment is shown as Photograher: and the present Photographer is shown as Architectural Assistant. These alterations necessarily involve additional responsibility and the incumbents are

are expected to take up altogether a different kind of work from what they were doing previously. Their pay in the revised grades has been fixed on the basis of the scales of pay under their new designations. In view of the fact that these officials have not actually held the posts against which they have been proposed to be absorbed, it is for orders of Government as to whether the benefit of the revised scales may be allowed to them with retrospective effect.

A typed copy of the observations originally made by this office and attached to the Allocation Statement is herewith sent for ready reference.

NO. 39
30/7/48

Mysore,
ted 29th July 1948.

ALLOCATION OF THE NON-GAZETTED STAFF OF THE DEPARTMENT TO THE SEVERAL REVISED GRADES.

PROPOSITION STATEMENT

Returned with compliments to the Secretary to Government, Education Department, Bangalore, with the following remarks.

1) In the allocation statement forwarded to the Comptroller both the places, viz: Clerk and Typist, sanctioned for this Department (Vide Re-organisation Order No.E.2794-95/Archy.2-44-35 dated 8th October 1946) were shown as clerks by virtue of G.O.No.Fl.2815-85 S.& A.56-46-2 of 17-10-1946 which directed that there should be no separate cadres of typists and Steno-typists as such in the several offices and that the existing number of typists should instead be included in the clerical grades of each office

2) The revised grades of the two posts which are both treated as those of clerks as mentioned above, are shown in the allocation statement as 60-5-90/E.B.6-150 (I Division) and 40-2-50/E.B.3-80 (II Division) as per the recommendations of the Pay Commission approved by Government in Their Order No.Fl.2010-70-S.& A.25-47-6 dated 21-9-1947 wherein also these posts are mentioned as clerks of the I and II Division. Accordingly Sri A.S.Narasimha Setty, who is the seniormost member of the ministerial staff and belongs to the backward community was allocated in the allocation statement sent to the Comptroller against the post of I Division clerk. But the Comptroller while verifying the statement has changed this grade into 40-2-50/EB.3-80. This should not be done since it will prove to be a great injustice to Sri A.S. Narasimha Setty who has so far put in a service of over 20 years and is an expert in office work. The appointment of Sri.M.Hanumanta Rao as a clerk in grade 60-5-90/EB.6-150 (vide G.O.No.E.11208-09/Archy.1-47-62 dated 25th June 1948) is only made as a special case and is personal to him in-as-much as his own appointment as Junior Pandit was abolished during the course of reorganisation(vide G.O.No.E.2794-95/Archy.2-44-35 dated 8-10-1946). Since Sri Hanumanta Rao is only a technical assistant in the field of epigraphy and has been doing no clerical work in the Department, I have separately submitted to your kind consideration the need for changing his designation (vide my letter No.15 dated 6-7-1948). His present appointment as clerk, therefore, should not come in the way of the prospects of Sri A.S.Narasimha Setty

who is very much his senior in the Department and who by virtue of para (d) of G.O.No.E.4545-4618-R.& P.S.37-47-2 dated 22-12-47 has to be given the grade of 60-5-90/EB.6-150 which he deserves on grounds of seniority, excellent service and merits. Owing to the heavy work in the fields of excavation, conservation and publication there is a very great need for having the post of a clerk of the I Division and I strongly recommend that the allocation of Sri A.S.Narasimha Setty against this place may kindly be approved. By the way, I may mention here that his juniors in the University have been given similar grades and there is no doubt that the claims of Sri.A.S.Narasimha Setty would have had a prior consideration if he had continued in the University under whose administrative control the Department had been placed upto July 1944.

3)Regarding the post of Clerk-cum-Stenographer, kind reference is invited to this office letter No.556 dated 4-2-1948 wherein I have recommended that this might be converted into that of Steno-Typist in grade 45-3-60-4-10 as per G.O.No.Fl.3966-4035-S.& A.25-47-45, dated 16th January 1948.

4) In addition to the 5 peons and 1 watchman mentioned in the proposition statement two more peons have been subsequently sanctioned for this Department vide G.O.No.E.1930-31/Archy.2-47-5 dated 2-9-47 and No.E.3717-18/Archy.2-47-8 dated 25th November 1947.

5) The post of Draftsman need not be treated as ministerial since Sri Hanumanta Rao who had been allocated against it in one of the earlier allocation statements is now provided otherwise.

GENERAL

The necessary certificate on the correctness of the period of service for which weightage is claimed is recorded.

In regard to the definition of the E.B. in the case of the ministerial posts it is submitted that the persons who hold these posts will be required to pass the Departmental tests which will be prescribed in due course, with the approval of Government.

Department of Archæology,

Mysore, 27th May 1948. *194*

FROM

THE DIRECTOR OF ARCHÆOLOGY,
MYSORE.

To

The Comptroller to the Government of Mysore,
BANGALORE.

SIR,

Subject: Proposition and Allocation Statements relating to the office of the Director of Archaeology in Mysore, Mysore.

With reference to correspondence ending with your U.O. No.477/A.3. dated 10-2-1948 addressed to the Education Secretary to the Government of Mysore, I have the honour to enclose herewith, for favour of necessary action, a revised allocation statement, in the light of G.O.No.E.9130-31/Archy.3-46-25 dated 4-5-1948, as directed by Government in their memo No.U.O.E.207/47-48 dated 21st May 1948.

In connection with your observations on the allocation statement (vide your letter No.1106/Bks. 17-12-1947 addressed to the Education Secretary to the Government, Bangalore.) kind reference is invited to G.O.No.E.9130-31/Archy.3-46-25 dated 4th May 1948 approving the allocation statement in connection with the re-organisation of this Department with effect from 8th October 1946. (Vide G.O.No. 2794-95/Archy.2-44-35 of 8th October 1946.)

Necessary alterations have been made in the allocation statement in the light of the Government orders dated 22nd December 1947 and 16th January 1948 regarding I and II Division Clerks. As per G.O. No.2010-70 S.& A.25-47-6 dated 21-9-1947 one I Division and another II Division posts of Clerks have been sanctioned for this Department. Both these have to be retained in the scales of pay sanctioned in the above mentioned Government Order. As regards the post of Clerk-cum-Stenographer, I have addressed Government in this office letter No.556 dated 4-2-1948 requesting them to convert this post into that of Stenp-typist in scale Rs.45-3-60-4-100 sanctioned for II grade Steno-typists in G.O.No.Fl.3966-4035 S.& A.25-47-45 dated 16-1-1948.

As directed by you the posts of two peons sanctioned after 1-1-1947 for this Department have been deleted from this allocation statement.

In regard to the alteration of the designations of certain incumbents, I beg to inform you that Government have been graciously pleased to approve these alterations and convey sanction to the allocations made on the basis of the re-organisation of the Department of Archaeology with effect from 8th October 1946. (Vide G.O.No.E. 9130-31/Archy.3-46-25 dated 4th May 1948). Thus the incumbents were ~~holding~~ actually holding the posts, (in which they are working now) on 1-1-1947 so that the benefit of the revised scales proposed in the accompanying allocation statement may kindly be allowed to them with retrospective effect in view of their long service in the Department.

I have the honour to be,
Sir,
Your most obedient servant,

Sd. L. Narasimhachar,
Ag. Director of Archaeology.

Allocation Statements of the Staff of the Department of Archaeology

1) The Director of Archaeology has furnished the necessary certificate as to the correctness of the period of service of the officials of the Department.

2) Sri. A.S. Narasimha Setty, Clerk of the Department is getting a pay of Rs.60/- in grade Rs.30-5/2-60. He belongs to a Backward Community and is a permanent official of the Department having put in a service of over 20 years. He entered service as a clerk in the Mysore University in 1927 and when the Department of Archaeology was separated from the University in 1944, his services were continued in the Department of Archaeology. Some of his juniors in service in the University are said to have been allocated as First Division clerks in the University, and it is reasonable to allocate Sri. Narasimha Setty also as a First Division clerk.

3) In this connection it is submitted that Sri. M. Hanumantha Rao, M.A., Junior Pundit of the Department getting Rs.52/- in grade Rs.40-4-60 had no place in the Department as per Government Order No.E.2794-95/Archy. 2-44-35 dated 8-10-1946 sanctioning the Re-organisation of the Department. His case was considered separately by Government and his pay was fixed at Rs.90/- in grade Rs.60-5-90/EB 6-150as a special case in Government Order No.E.11208-09/Archy.1-47-62 dated 25-6-1948. The Director has requested separately that the designation of Sri. Hanumantha Rao be changed from 'Clerk' to "Epigraphist".

4) In the circumstances explained by the Director of Archaeology, it is for orders whether Sri. Narasimha Setty may be allocated against the post of the First Division clerk.

5) Submitted for orders.

Sir,

Proposition and Allocation Statements relating to the office of the Director of Archaeology in Mysore, Mysore.

I have the honour to forward herewith duly verified as corrected the above proposition and Allocation Statements in duplicate received with correspondence ending with letter No.353 dated 25th November 1947 from the Director of Archaeology in Mysore, Mysore, and to observe as follows:-

1) The ratio of 1 : 5 between I and II Division clarks has not been maintained but Government Order No.Fl.2010-70/S.& A.25-47-6 dated 21st September 1947 fixes one clerk as I grade and another as II grade and the same has been taken to calculation.

2) The special grade of 75-5-150 to Stenotypist has not been claimed.

3) The post of an additional peon sanctioned in Government Order No.E.1930-31/Archy 2-47-5 dated 2nd September 1947 is excluded from proposition and Allocation Statements as it is sanctioned after 1st January 1947. The scale also requires to be revised to 18-½-22.

4) Certificate regarding correctness of date of entry into service and total service ~~in~~ for which weightage is claimed may kindly be called for as requested in letter No.384/B2 dated 16/17th December 1947 addressed to the Secretary to Government, Financial Department, Bangalore.

5) The proposals as set forth in the proposition statement treating the post of the Draftsman as ministerial involve an extra cost of Rs. $243\frac{37}{180}$ per month or Rs.$2,918\frac{7}{15}$ per annum.

6) The immediate extra cost as per Allocation Statement is Rs.

P.T.O.

Rs.197½ per month or Rs.2,370/- per annum.

Letter No.233 dated 26th September 1947 from the Director of Archaeology, Mysore, to the Education Secretary to the Government of Mysore, Bangalore.

With reference to your letter No.E.1546 dated 14-8-1947 regarding the places of assistants, I have the honour to state that I am strictly obeying your instructions in the matter of nominating persons for the various posts in accordance with their particular qualifications. But there is in our employ a man, Mr.M.Hanumantha Rao, M.A., who has been working as Second Pandit of this Department on a salary of Rs.40-4-60. He is a First Class B.A.(Hons) and a Second Class M.A. and has put in over seven years of service. He has been trained in the various branches of Archaeology, particularly Epigraphy for which Kannada and Sanskrit qualification has made him specially fitted. He is an extremely useful member of this Department deserving a salary very much higher than what he is getting. Unfortunately the G.O. omits to provide any place for him. If the Government intend that he should continue in this Department, his salary may be provided for in the list, otherwise he may be transferred to the only other Department which can take him viz: The University. I only beg Government to find a place for Mr.Hanumantha Rao in this Department. Since the Junior Technical Assistant and the First Pandit of this Department get Rs.100-10-150, I am sorry that I cannot recommend Mr.Hanumantha Rao to anything higher than what they get. I propose that Mr.Hanumantha Rao may also be given Rs.100/- in the grade ~~were qualified to get anything lower than Rs.100~~ He satisfies a dire need in this Department and we want him. We are proposing to issue a revised edition of the Epigraphia Carnatica for which more than 8,000 new inscriptions have to be added and this work cannot be done by a single Assistant as he would be searching for new inscriptions. But the revised list makes no provision for a place for him. If a place on Rs.100-10-150 cannot be granted in this Department, he may be transferred to the University. Instructions may kindly be sent to me as to what I should do in regard to him.

Proposition and Allocation Statements
relating to the Department of Archæology, Mysore.

*****

With reference to your U.O.No.93 of 47-48 dated 8-1-1948 forwarding unofficially, for my remarks, certain points raised by the Controller to the Government of His Highness the Maharaja of Mysore, Bangalore, in connection with the above, I have the honour to submit replies as follows to the points in the order in which they are raised:

1) The ratio 1:5 between I and II Division clerks could not be maintained in this Department by virtue of G.O.No.F.1-9/S.A. dated 21st September 1947 sanctioning only one I Division clerk and one II Division clerk and one Clerk-cum-Stenographer with the scale of pay of II Division clerks; so that the two posts might belong to the same category so far as scale of pay is concerned. The ratio at present could be taken to be 1:2. In the filling up of the I and II Division posts in future, however, the ratio indicated by the Controller will be strictly maintained.

2) The point regarding Stenotypist does not arise in this Department in view of the fact that the G.O. referred to above does not sanction such a post.

3) Government have very kindly sanctioned two posts of Photographers (as suggested by the Controller) after last January 1947 - vide G.O.No.F.71/Archy.2-47-5 of 2-9-1947 and No.G.O.No.F.71/1-47/Archy.2-47- dated 25-11-1947. The average cost in respect of each of these is Rs.20 4/- A separate proposition and allocation statement is enclosed in this connection (Enclosure 'A' & 'B')

4) The certificate regarding the correctness of the data of the

into service and the total service for which weightage is claimed is also attached. (Enclosure 'C')

5) & 6) . I do not know if the last two points raised by the Comptroller regarding the treatment of the posts and the extra cost in that behalf, could be dealt with here, at this stage, particularly in view of the fact and that the orders on the reorganisation of the Department were passed more than a year and half ago and the recommendations regarding the allocations have been submitted by the previous Director after long correspondence and promotions have been proposed without undue prejudice to the claims of seniority, service and qualifications of the staff members. Individual cases and ~~Should there arise~~ anomolies, as for instance, in the case of Mr.N.Hanumanthe Rao, M.A., who is shown as Draftsman, ~~such cases~~ may, I submit, be dealt with separately at a later stage, since it is desirable to give immediate relief to the others who have been waiting for it since long.

I have the honour to be,
Sir,
Your most obedient servant

Sir,

Subject: Revised Proposition and Allocation Statements relating to the Non-gazetted Staff of the Dept. of Archaeology in Mysore.

--:--

1) I have the honour to forward herewith duly verified the revised proposition and allocation statements relating to the Non-gazetted Staff of the Department of Archaeology in Mysore received with letter No.699 dated 27-5-48 from the Director of Archaeology in Mysore, Mysore (copy enclosed) and to observe as follows:-

Proposition Statement:-

2) (1) In the Allocation Statement appended to the G.O. No.F.150-1/Arch. 5-46-35 dated 4-[illegible]-48 on the reorganisation order dated 8-10-46 only one post of clerk is shown and the other post shown as Typist. But, in the statement now received both the posts are shown as clerks and the revised grades applicable to the Clerical Grade shown against them.

3) (2) The revised grades of the clerical posts on 60-5-70-60 and the other post on (40-2-50) in the old scales are shown as (60-[illegible]-EB-6-150) Ist Dn. and (40-2-50-3-90) II Dn. Vide page 10 of the Annexure to the G.O. dated 21-9-47). But, as per G.O. dated 22-1[illegible] all these three posts come under II Dn. since it corresponds to Class II as per classification of appointments. There may be no objection to allocate the graduate clerk to the I Dn. treating the same as personal to him. Specific sanction of Govt. is necessary to allow the Grade 60-5-70-EB-6-150 to one of the posts on 60-5/2-60, in the Proposition Statement and as such the Ist Dn. is changed to II Dn. in the Proposition Statement.

(3) The post of Clerk-cum-Stenographer if treated as that of Stenotypist will have its grade revised to Rs.45- -60-4-100. The Department has allowed the pay of Rs.40-5-50/E.B. 5-80 to this post treating it as clerical.

(4) The sanctioned posts of 5 peons and one watchman on 11-½-15 are revised to Rs.18-½-22 which has been correctly indicated by this office in the Proposition Statement instead of 6 Peons and one Watchman shown by the Department, the average cost being correctly worked out taking 5 peons and 1 watchman.

(5) The proposals as modified in the Proposition Statement treating the post of Draftsman as Ministerial involve an extra cost of Rs.195 97/180 p.m. or Rs.2,343 7/15 p.a.

Allocation Statement:

The immediate extra cost as per Allocation statement is Rs.189½ p.m. or Rs.2,274 p.a.

General:

There is no certificate recorded on the Allocation Statement as to the correctness of the period of service for which weightage is claimed with reference to the Service Registers of the incumbents. This has to be got recorded. The Director has also not proposed any tests for crossing the Efficiency Bar in the case of clerks. The Efficiency Bar has to be got defined.

I have the honour to be,
Sir,
Your most obedient servant,

No.692 dated 27th May 1948 from the Director of Archaeology, Mysore to the Comptroller to the Govt. of Mysore, Bangalore.

--:--

Subject: Proposition and Allocation Statements relating to the Office of the Director of Archaeology in Mysore.

With reference to correspondence ending with your U.O.No.477/A.P. dated 10-5-48 addressed to the Education Secretary to the Government of Mysore, I have the honour to enclose herewith, for favour of necessary action, a revised allocation statement in the light of G.O.No.F.9180-81/Archy. 8-46-85 dated 4-5-1948, as directed by Govt. in their Memo No. U.O.E. 207/47-48 dated 21st May 1948.

In connection with your observations on the allocation statement (vide your letter No.1106/Books dated 17-12-1947 addressed to the Education Secretary to the Govt. Bangalore) kind reference is invited to G.O.No.E.9180-81/Archy. 8-46-85 dated 4th May 1948 approving the allocation statement in connection with the re-organisation of this Department with effect from 8th October 1946. Vide G.O.No.8794-95/Arch . 8-44-85 of 8th October 1946).

Necessary alterations have been made in the allocation statement in the light of the Govt. orders dated 2nd December 1947 and 16th Jan. 1948 regarding I and II Division Clerks. As per G.O. No.8010-70 S&P 47-47-6 dated 31-9-47 one I Division and another II Division posts of Clerks have been sanctioned for this Dept. Both these have to be retained in the scales of pay sanctioned in the above mentioned Government order. As regards the post of Clerk-cum-Stenographer, I have addressed Govt. in this office letter No.556 dated 4-5-48 requesting them to convert this post into that of Steno-typist in scale Rs.45-3-60-4-100 sanctioned for II Grade Steno typists in G.O.No.H.1983-4035 S&P 55-47-45 dated 10-1-1948.

P.T.O.

As dir ct.d by you the posts of two pcons sanctioned after 1-1-47 for this Department have been d leted fro this alloc tion st tement.

In regard to the alteration of the designations of certain incumbents, I beg to in orm you that Govt. have been graciously pleased to approve these alterations and convey sanction to the allocations made on the basis of the re-organisation of the Department of Archaeology with effect from 8th October 1947. (Vide G.O.No.E.31CO-51/Archy. 3-46-45 dated 4th May 1948). Thus the incumbents were actually holding the posts (in which they are working now) on 1-1-47 so that the benefit of the revised scales proposed in the accompanying allocation statement may kindly be allowed to them with retrospective effect in view of their long service in the Department.

To

The Director of Archaeology,
Mysore.

I beg to submit the following for your kind and favourable consideration

I joined service more than 20 years ago and I believe, ever since I have been working to the best of my ability and to the satisfaction ~~and approbation~~ of my official superiors.

Inspite of my long service and inspite of the fact that I have been doing nearly all the clerical work of the office, short only of the designation of Head Clerk, I am drawing only Rs.60/-.

Considering the inadequacy of the salaries of the ministerial staff in this Department the Pay Commission recommended a I Division place and Government in Their Order No.Fl.2 1.-70/S & A 35-47-6 of 21-9-1947 have sanctioned a First Division Clerk's post in place of the one existing at present. You have also very kindly allocated me against this revised place, while, recently, Government too have graciously been pleased to issue instructions stressing that in the preparation of the allocation statements communal proportion should not be adversely affected. Now, the Comptroller has suggested that my grade might be changed from the I Division to the II Division, ~~and this~~ though ~~it~~ this might satisfy just one clause of the G.O. of 22-12-47, ~~would~~ that it would, I beg to submit, throw into background the very spirit and principle for which it was issued. I was the only permanent member of the ministerial staff on 1-1-47 and I belong to a backward community and have put in a service of more than 20 years. In kind consideration of my approved service, the nature of the work I have been doing and my seniority as also ~~vide~~ the instructions conveyed in para (d) of the G.O. of 22-12-1947, I request that I may kindly be allocated against the newly sanctioned First Division post in grade 60-5-90/E.B.6-150.

When the Department was separated from the University in 1944 I happened to be working here and I was thus left to continue my services in this Department alone. There are numerous colleagues of

mine in the University, far junior to me in service, who have been given the benefit of the higher grade. I may kindly be permitted to mention the cases of 1) Sri.M.D.Basappa, 2) Sri.H.C.Brahmiah, 3) Sri.S.L.Swamidas 4) Sri.C.Munivirappa Setty and others who have been allocated against First Division posts. Had I also continued in the University instead of in this Department, there is no doubt that I would also have been one of the recipients of the benefits conferred upon the low paid officials by the revision of the grades so benevolently sanctioned by Government.

In view of all these facts, I am convinced, Sir, that my claim to be allocated against the sanctioned post of a First Division Clerk in this Department is natural and legitimate. My earnest ~~prxx~~ prayer is that my claims should not be overlooked, since otherwise, my only chance of promotion in my lifetime will have been denied to me and I would be made to suffer and drew only a low pay, while my juniors will be drawing higher salaries. I may also mention that while all other members of this Department have been provided with higher grades in one way or other, I will be left to rot on a lower pay.

I am poor and have to main a large family.

Under the above circumstances viz: long service, the work done by me, communal composition, my seniority, my long stagnation, the benefit I would have had if I were in the University and my poor financial condition, I pray that I may be allocated against the sanctioned post of First Division Clerk in this Department.

I beg to remain,
Sir,
Your most obedient servant,
A.S.Narasimha Setty
Clerk,
Department of Archaeology,
Mysore.
